DEMOCRATIC SPEAKING AT RUD- DLES MILLS.

The voters of the Ruddles Mills precinct will have the pleasure of hearing a gifted speaker this afternoon at 2:30 o'clock, when Mrs. Julia Duke Henning, of Louisville, will address them. The speaking is scheduled to take place in the school building at Ruddles Mills.

Mrs. Henning is a daughter of the late General Basil Duke, of Louisville, and niece of General John Hunt Morgan, the famous Confederate raider. She is a woman of pleasing address and with a thorough knowledge of the issues which she will present to the voters in a most convincing way.

To-night, at 7:30 o'clock Mrs. H. C. Blackburn, of Georgetown, will address the voters of the Millersburg precinct, in the Opera House in Millersburg. Mrs. Blackburn is an eloquent talker, and well-versed on the issues of the day.

STOLEN CAR LOCATED

Chief of Police Link left yesterday for Connorsville, Ind., to identify and recover an automobile alleged to have been stolen from C. E. Finney, of Paris, some time ago. Chief of Police Link sent out post card descriptions of the stolen car, and offering a reward for recovery of the machine and the arrest of the thief.

Wednesday Sheriff Wm. G. McClintock received a message from officials at Connorsville, stating they had recovered the car, or at least the one thought to be the Paris car in the possession of a man whom they were holding under arrest. The car and thief will be returned to Paris.

The man who is charged with having stolen the Finney auto has been identified as Robert Hardwick, formerly of Carlisle, who, the police of Connorsville stated, has a police record in that city, and had been under suspicion for some time. Suspicion was aroused some days ago when Hardwick and another man purchased tickets from Connorsville to Myers Station, in Nicholas county. They returned a few days later with an automobile and a dog, both alleged to be stolen.

One of the cards sent out by Chief of Police Link came to Sheriff Myers, of Carlisle, who compared it with the description he had received from the Connorsville authorities and became satisfied that Hardwick was the man wanted. Hardwick was arrested in Carlisle about a month ago on a warrant sent from Connorsville charging him with abandoning his family.

NORTH MIDDLETOWN CHILDREN TAKE NOTED JOURNEY

(Communicated)

Very recently a large number of North Middletown children were taken on a journey by the Mothers Club of North Middletown, a journey which they are not likely to soon forget. The historical pilgrimage was made to Blue Lick Springs famed in history of the State. The party of about two hundred left the school grounds in automobiles early in the morning. Reaching the grounds a bountiful dinner was spread near the banks of the Licking river, on the old Blue Licks grounds.

In the afternoon the old battlefield was visited. Mrs. Lafferty told of the early settlers and their search for salt and the buffalo trail which later became the Maysville turnpike. Mr. Hunter's collection of mastodon bones, interesting rock formations, Indian relic, etc., were critically examined. A stop was made at the former home of Governor "Stonehammer" Metcalfe, where Mrs. Lafferty the State Club Historian, told interesting facts of the life of a Kentucky Governor, who was once a stone mason, "and proud of it." One instance in particular was where Gov. Metcalfe, in 1832 went to Lexington to drive the first spike in the first railway built west of Allegheny Mountains. Miss Lizzie Grimes, District Historian, read the exciting horse race of young Metcalfe, as told in Collins' History of Kentucky.

The party reached home at dusk very tired and dusty, but thoroughly happy and enthused with a new interest in the romantic historical past of Kentucky.

GOVERNOR COOLIDGE AVOIDS ISSUE.

On the first day's trip of the Republican Governor's special throughout Kentucky, Governor Calvin Coolidge, of Massachusetts, made fourteen speeches. In none of the fourteen did he refer to the League of Nations. There is a reason. Governor Coolidge is tied to the League of Nations by the speech of welcome he made to President Wilson when the latter returned from France with the Peace Treaty in his pocket.

Mr. Coolidge admitted that he has not mentioned the League of Nations since he had made speech early in the campaign in Maine. It seems that this speaking campaign is not to the taste of the Massachusetts Governor. He does not associate with the men on the train with him, and seems to find speech-making a very burdensome task.

Stetson Felt Rugs not only wear well, but they look well. We have them this week at big reductions. (22-1f) THE J. T. HINTON CO.

TO THE VOTERS OF BOURBON COUNTY.

We believe that a local school fight should always be confined to the locality in which it originated. However, as the controversy at Millersburg has resulted in the nominating of a ticket for the Bourbon County Board of Education, we believe, that in justice to the school interests of Bourbon county, we should make the following statement:

In the early spring of 1920, Col. and Mrs. C. M. Best found it necessary to dispose of the M. M. I. property; they made an attempt to interest local people of Millersburg in the purchasing of this property and the continuation and operation of the school; failing in this they contracted to sell the property to the Bourbon County Board of Education for the sum of \$46,000.

Several weeks later a group of citizens of the vicinity of Millersburg made an offer to purchase this property from the County Board of Education and offered considerations approximating \$60,000 for this property. The Board refused this offer. This was followed by a suit in which it was attempted to enjoin the consummation of the contract between the Board and Col. and Mrs. Best. This action was decided in favor of the County Board in the Bourbon Circuit Court and by the Court of Appeals of Kentucky. At about the time of the filing of this suit a portion of the men who were party plaintiffs to this suit entered into a private contract with Col. Best, whereby it was provided that should the courts prevent the sale to the County Board that the signers of said contract would take over the property on the same or similar terms that had been offered by the County Board of Education. In other words, had the suit been decided against the County Board of Education the county would have lost the difference between the \$60,000 offered for the property prior to the bringing of the suit, and the \$46,000 paid for the property.

Within the past few weeks we have heard statements made that after the coming election this property would be secured from the County Board of Education. At about the same time we discovered that there was a propaganda among the colored people of Millersburg to the effect that if the new high school was continued their school would be reduced to a term of six months; later we learned that there was further propaganda among the colored people of Millersburg that if they would vote for a certain ticket that their teachers would receive more pay, that they would be given additional grounds, additional equipment and more teachers.

Mr. A. T. Moffett is one of the party plaintiffs in the suit against the County Board of Education, to prevent the sale of these grounds and buildings to said Board. It was he who was most active in organizing a ticket for filling the Board at the election to be held November 2, 1920. He is one of the candidates for these offices. Since this new High School has been established it has been a common expression in Millersburg: "The way to get the M. M. I. property back is to fight this school. We regret the bitterness engendered; we deplore the attempt by parties unknown to us, to align the interests of one race against the interests of the other. We believe that any person who attempts to arouse the jealousy of one race against the other or of one class against another is an enemy of both races and of both classes. It is common belief in Millersburg that if Mr. Moffett and his selection of a ticket secure office that this property will be secured from the county. It is unknown as to what consideration will be given for the sale of same. We believe that the fair-minded voters of Bourbon county will almost unanimously reject a proposition to inject directly into the County Board of Education a fight that has grown so bitter that when a minister addressed the Teachers' Association of Bourbon county and endorsed the new High School in Millersburg, expression was made as follows: "He had just as well pack his trunk and leave town." We believe that every fair-minded person will agree that an insistent, prospective purchaser of county property places himself in an awkward position when he offers himself as a candidate for membership on a Board that will have the power to sell the same property. We believe such action would never be taken excepting under stress of anger and under the sting of defeat in the courts. We are glad to state that we are informed that at least two of the proposed ticket have stated they are unacquainted with the conditions named herein, and are not in sympathy with the motives indicated above. Five men who are not residents of Millersburg or of the Millersburg school district have been prevailed upon to offer themselves for members of the Bourbon County Board of Education on one platform, namely: That they will represent as best they may solely the school children of Bourbon county in passing upon any matter that may be brought before them. These men are: E. P. Waggoner, C. R. White, Ernest Darnaby, George Link and Dr. H. B. Anderson. In full justice to the men named on the other ticket it is our belief that only a bare majority are expected to do the will of those who wish to secure the old M. M. I. property for private purposes. THE DEMOCRATIC APPEAL FOR CAMPAIGN FUNDS.

"Louisville, Ky.,
"October 21, 1920.

"To The Editor of THE NEWS:
"We are to-day in receipt of the following telegram from Democratic Headquarters in New York:

"Outlook for Democratic success distinctly improved. We have planned prosecution of vigorous campaign during remaining days. We sincerely appreciate effective help you have heretofore given us and we earnestly trust it may be possible for you to send us at once all available funds.

"JAMES W. GERARD,
"Chairman General Finance Committee, Grand Central Palace."

"We are firmly convinced that if we can raise sufficient money in the next two weeks to properly prosecute a campaign, the election of Cox and Roosevelt will be assured. The opposition has money; we have not. Will you not make a renewed effort, through your good paper, to secure subscriptions in your locality? You may forward same to me in care of the Citizens' Union National Bank, Louisville, or direct to Hon. W. W. Marsh, Treasurer, Democratic National Committee at New York. If you do send contributions to New York direct, we would be obliged if you would advise us here of the amount in order that we may know just what Kentucky is doing for the cause.

"I know I need not emphasize the urgency of this appeal.

"JNO. R. DOWNING,
"State Treasurer."

In a few hours' canvass of the city Tuesday and on Wednesday morning, a representative of THE NEWS, aided by the hearty efforts of Robert S. Porter and Harry Collins, secured cash and checks to the sum of \$297, in response to the above appeal. This sum was forwarded to Mr. W. W. Marsh, Treasurer of the National Democratic Campaign Fund, at New York, who will forward to each Junior an acknowledgment of their contribution. The canvass was not completed, and was carried on at odd times, otherwise the amount secured would have been much larger.

A meeting of Democrats was held in Louisville, Tuesday, at which Bourbon county was represented by John T. Collins and A. B. Hancock. Plans were made at this meeting for raising the sum of \$75,000 for the National campaign. Bourbon's quota was placed at \$1,000, which, it is needless to say, will be oversubscribed. In view of this the canvassers who were prosecuting the work in Paris decided to await the action of the committee who will have the new work in charge, combining the city and county under one management.

In the meantime contributions will continue to be accepted at THE NEWS office from anyone who desires to contribute, and the same will be promptly turned over to the right parties. Don't wait too long, but send in your contribution RIGHT NOW. This is the time the National Committee wants funds, NOT ON ELECTION DAY. The money is badly needed for pre-election purposes, such as publicity work, etc. Ample funds would come to the Democratic campaign managers were they to ignore all questions of source and purpose represented by large donations from selfish interests. But they want the people to share in the giving, and give freely for a righteous cause. They want to leave the matter to those who give, modestly perhaps, but yet out of no motive but unselfish desire to promote the principles represented by James M. Cox and Franklin D. Roosevelt. SEND YOURS IN NOW!

PRICE OF "GAS" TUMFLES IN PARIS.

Users of that very necessary article of commerce, gasoline, commonly known in this day and generation as "gas," are chuckling over the rate war in progress between the local handlers and the Lexington concern recently located here.

Some time ago the Consumers' Service Station Company, an incorporated concern composed of Lexington men, purchased the old property at the corner of Pleasant and Tenth streets, on the site of which they erected a service station, one of a chain of such establishments throughout the State. The building was opened for business Saturday, when, it was alleged, the operators without consulting other dealers as to the selling price of gasoline, cut the price to 31 cents a gallon. When the news became generally known the Paris retail dealers held a meeting, and shortly afterward made the announcement that they had met the cut, and had gone it one cent better, placing the retail price at thirty cents a gallon.

It was stated yesterday that the matter will be brought to the attention of the Paris Commercial Club. In the meantime, the gasoline users is shedding no tears, and fervently hoping the "war" will go merrily on.

FIRST TIDINGS OF PARIS BOY FOR YEARS

Publication in THE NEWS Tuesday of an item regarding the conferring of the D. S. C. on Private Wm. Howard, of Paris, at a U. S. army post in Germany, was the means of apprising his sister, Mrs. Robert Briggs, of Paris, of his whereabouts. She had lost all trace of her brother, and had not heard of him in two years.

Young Howard, who was but eighteen years old at the time of his enlistment in the service, enlisted in Paris and was sent, in the due course of events, to an Eastern cantonment, where he remained a long time. His company was finally sent overseas. From time to time messages came to Paris relatives from Howard, who told of his experiences. The last message they had was to the effect that he had been slightly wounded in one of the engagements in France. Since then Mrs. Briggs had heard nothing from her brother and had no knowledge of his whereabouts. In the meantime young Howard had recovered and returned to active duty, winning recognition from the Government for gallantry in action. He still maintained a silence which was unaccountable. Through efforts of the War Department he was located at an army hospital at Coblenz, Germany, where he was with the American Army of Occupation, and the decoration was conferred.

Mrs. Briggs was given a photograph of her brother, which was sent to THE NEWS from the War Department and will endeavor to get in communication with him.

Anyone knowing of a voter who will be absent is requested to communicate at once with Wm. G. McClintock, Chairman Bourbon County Democratic Campaign Committee, Paris, Ky.

GEORGE ROSE ACQUITTED IN MARCH SHOOTING CASE

Constable Geo. Rose, who on the afternoon of Oct. 7 shot and killed Ernest L. March at the latter's home, 343 South Broadway, in Lexington, was acquitted by a jury in the Circuit Court late Tuesday on the grounds of "temporary insanity." Charles McCarthy, formerly of Paris, was foreman of the jury.

The verdict was returned twenty-five minutes after the case had been submitted to the jury. A coincidence in the time the jury deliberated is established by the fact that March died within twenty-five minutes after he had been shot.

Following the reading by Deputy Circuit Clerk George DeLong of the jury's verdict, finding the defendant not guilty of the murder, the people in the crowded court room gave vent to its feelings by applauding, cheering, whistling and stamping of feet.

Immediately after the verdict had been read, setting him free, Mr. Rose shook hands with each member of the jury that had decided his fate and left the court room. On his way out of the court house he was surrounded by his friends and congratulated over the outcome of his trial, which started at noon Monday.

LIFELONG REPUBLICAN WILL VOTE FOR GOV. COX.

I. W. Bernheim, a lifelong Republican, who gave the Thomas Jefferson Statue to Louisville and is to give one of Abraham Lincoln to the same city, announced Monday that he will cast his vote in the election next month for Governor Cox.

"I am a Republican and never can be a Democrat, but I cannot support the Republicans this year," was Mr. Bernheim's statement, and he gave as his reason the fact that conscience will not permit him to support the "Republican leaders" who have committed the crime of playing politics when an impoverished and starving world was looking to us for guidance and leadership.

In past years Mr. Bernheim has been a liberal contributor to the Republican campaign funds. This year, however, the G. O. P. will receive no assistance from him.

In his statement announcing his defection from the Republican standard Mr. Bernheim says:

"Next to my religion comes my deep attachment to the Republican party, but I shall have to forget my past record and vote this time for the Democratic Presidential standard-bearers, solely because my conscience won't permit me by my vote to confirm the acts of our Republican leaders, who committed the crime of playing politics when an impoverished and starving world was looking to us for guidance and leadership."

"I am for the League of Nations because back of it stands the American principle of 'life, liberty and the downright of every clime."

"Our people have put their hands to the plow and we shall not turn back."

FAMOUS NATURALIST WILL SUPPORT DEMOCRATIC TICKET

John Burroughs, the famous naturalist, is supporting the Democratic ticket for three reasons. First, he believes in the League of Nations. Second, because Cox is for the League, and third, "Because Gov. Cox is a stronger man of the two candidates, more progressive and more representative of the idealism of the Nation."

Burroughs' position is especially significant in view of the fact that he worked and voted for the election of Abraham Lincoln. In Gov. Cox, Mr. Burroughs sees traits of resemblance to Theodore Roosevelt, particularly in the vigor and fearlessness of his public utterances, his dynamic qualities and his straight-out and unequivocal statements of facts.

IT'S SURPRISING

That So Many Paris People Fail To Recognize Kidney Weakness

Are you a bad back victim? Suffer twinges; headaches, dizzy spells? Go to bed tired—get up tired? It's surprising how few suspect the kidneys.

It's surprising how few know what to do.

Kidney trouble needs kidney treatment.

Doan's Kidney Pills are for the kidneys only.

Have convinced Paris people of their merit.

Here's a Paris case; Paris testimony.

Kidney sufferers hereabouts should read it.

Mrs. A. L. Burley, 329 Eighth street, says: "I have used Doan's Kidney Pills, getting them from the Ardery Drug Co. and from the benefit I received, I certainly think they are a good, reliable kidney remedy. Whenever my kidneys have acted irregularly or my back has been weak and lame, I have used a box or so of Doan's Kidney Pills. They have always relieved me of the complaint."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

Request For Contributions

To The Democrats of Bourbon: The National Democratic Headquarters is imperatively in need of funds with which to finance the present campaign and has appealed to me to offer an opportunity to the Democrats to aid. This I am pleased to do. Every voter, man or woman, who earnestly desires the election of our ticket is requested to give without delay to the Editor of this paper, who will immediately forward it to John R. Downing, State Treasurer for National Committee, Citizens Union National Bank, Louisville, such voluntary contribution as he or she may care to make. Same will be forwarded promptly to National Headquarters in New York, with name of donor. Contributions, no matter how small, will be accepted and appreciated.

A hearty response to this call is confidently expected.

J. N. CAMDEN, National Committeeman.

DEPLORES HARDING'S NOMINATION.

In writing to Professor Irving Fisher, who is chairman of the organized pro-league Independents, George F. Peabody says: "The more the campaign develops the more appealing seems the evil that would follow the election of a man of Senator Harding's extraordinary caliber. I think the most serious indictment of the Republican part leaders is that at a world's history when the constitutional responsibilities, obligations and vast power of the President of the United States have been demonstrated as necessarily inherent in the office and imperative upon the President himself, such a choice as Senator Harding should have been made."

Senator Towne wrote the following to Governor Cox: "Henceforth, concentrate on the Covenant. Make it a holy covenant crusade to the end. Other issues can wait two years. This has waited twenty centuries and if we fail in our duty now God alone can measure the cosmic scope of recurrence."

AUTOMOBILES COMING SOON

Paris dealers in certain makes of automobiles have been informed "again" that they will be able to have more cars furnished in the near future, owing to the increase in cars, and that the early spring will find a great relief from the present situation. Shipping facilities, however, are not expected to be greatly improved in this regard until after the winter months have passed, since the stress will be laid on the moving of coal.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. All druggists. U. S. SHOULD RATIFY COVENANT, SAYS TAFT.

In an interview in Chicago, Wednesday, former President Taft reaffirmed his belief that the United States should subscribe to Article X of the League Covenant.

He also said he had not changed his views that the wise policy for this country would be to ratify the Covenant without change.

But he said he was for Senator Warren G. Harding on the ground that the election of the Republican candidate was the only means of breaking the Senate deadlock.

"I am not inconsistent," said Mr. Taft. "I was for Article X. I favored ratification of the Covenant without reservations."

"But I believe that a majority of the people do not believe as I do and I am in favor of getting what I can in the way of an association of nations to aid peace, even if I cannot get all I want."

DEATHS.

WATSON.

—Announcement was received here of the death of Charles Watson, of Chicago, a former resident of Millersburg. He was a brother of Mrs. Charles Leer, of Millersburg, and a brother-in-law of Mrs. Corne Watson Baird, of Paris. The body was taken to Carlisle, where it was interred on the family lot in the Carlisle Cemetery.

KIELY.

—The body of Miss Mildred Clement Kiely arrived from Chicago on the 10:50 train last Sunday morning and was interred in the family lot in the Paris Catholic Cemetery. The little girl will be remembered as a victim of an auto accident on the Lake Shore drive in Chicago two years ago. She was the youngest daughter of the late John H. Kiely, the baby and idol of the home, and it was the express wish of the father and family to have her removed to Paris and placed by the side of her father, whose death occurred about one year ago.

FERGUSON.

—Following an illness of several months' duration, due to the infirmities of age, Mrs. Sarah Dudley Ferguson, aged eighty-three, died Monday night at the home of her daughter, Mrs. D. Gurley Taylor, on the Lexington road, near Paris. Mrs. Ferguson had been in declining health for some time, and for the past few weeks had been confined to her bed.

Mrs. Ferguson was a native of Fayette county, where she was born on February 21, 1837. She was a daughter of the late Mr. and Mrs. James Dudley. Early in life she was married to Noah H. Ferguson, of near Lexington. Since his death, which occurred over twenty years ago, Mrs. Ferguson had spent the greater part of her time with her children, to whom she was greatly attached, and who in turn showered every kindness and attention on their devoted parent.

Mrs. Ferguson is survived by the following children: Mrs. D. G. Taylor and Mrs. L. Davis Redmon, both of Paris; Mrs. E. J. Warren, of Lexington; Mrs. J. J. Ecton, of Winchester; W. W. Ferguson, and D. G. Ferguson, both of Minneapolis, Minn. Four grandchildren also survive her: Mrs. John A. Bower, of Paris; Matt Bedford, of Bourbon county; Mrs. Younger Osborne, of Winchester, and C. C. Ferguson, of Minneapolis, Minn.

Funeral services were conducted at the home of Mrs. Taylor, on the Lexington road, near this city at 2:30 o'clock Wednesday afternoon, by Rev. W. E. Ellis, pastor of the Paris Christian church. The remains were taken to Lexington, where the interment took place on the family lot in the Lexington Cemetery. The pallbearers were D. G. Taylor, L. D. Redmon, J. J. Ecton, J. E. Warren, Jos. D. Booth and Dr. W. C. Ussery.

NIPPERT.

—The funeral of Henry L. ("Dick") Nippert, who died at the Massie Memorial Hospital, in this city, Sunday, after a long illness due to Bright's disease, was held Tuesday afternoon, with services conducted at the grave in the Paris Cemetery by Rev. T. S. Smylie, pastor of the Paris Presbyterian church. The Elks' burial service was conducted by members of the Chattanooga, Tenn., lodge, of which Mr. Nippert had been an official for the past fifteen years. At the time of his death he was Past Exalted Ruler and a member of the Board of Trustees of the Chattanooga, Tenn., lodge.

The members of the Chattanooga lodge attending the funeral were: E. R. Betterton, Chaplain; W. P. Pyott, Exalted Ruler; W. R. Snyder, Leading Knight; W. B. Harris, Loyal Knight; Charles Reiff, Lecturing Guard; H. B. Debardeleben, George Hall, J. C. Hibbets, S. S. Price, Fred Bitler, J. P. Schlessinger, H. M. Reed, A. F. Hahn, T. J. King, T. H. Cooke, D. J. Crabtree, Emil Wassman, and Strang Nicklin. The party came to Paris on a special interurban car from Lexington, and returned late in the afternoon.

In the death of "Dick" Nippert the city of Paris and his many friends lose one of Nature's noblemen, if ever there was one so fittingly described. To his friends his friendship was one of the most enduring and unselfish kind, and he was in his element when doing something for their pleasure. He was a man of the highest character, of a happy disposition, and his friends were without number. One of his greatest pleasures was to come to Paris twice a year and mingle with the friends of his boyhood days. He loved Paris and its people, among whom the days of his youth was spent. In his death the Grim Reaper has harvested a splendid life. Paris mourns him dead, but will keep his memory alive. Especially will this be true of the small band remaining here who were schoolmates at the old Paris City School, where he became a favorite by the very qualities that endeared him to others in later life. Peace to his ashes!

BIRTHS.

—Mr. and Mrs. William P. Mayfield, of Dayton, Ohio, formerly of Paris, are receiving and acknowledging congratulations upon the arrival of a baby daughter born in the Miami Valley Hospital, in Dayton. Mr. Mayfield is a nephew of Mrs. James Doty, of Paris, and is staff photographer on the Dayton Daily News.

A man never pins anything that he can button. And a woman never buttons anything that she can pin.

RELIGIOUS.

—There will be communion services at the Christian church Sunday morning. No services will be held in the evening. The morning service will be an especially impressive one.

—The Pastor's Aid Society of the Presbyterian church will hold their all-day meeting on next Tuesday, October 26. This will be an especially important meeting and a full attendance of the members is requested.

—Dr. R. H. Crossfield, President of Transylvania College, Lexington, will deliver an address early in December in the Paris Baptist church, taking for his theme impressions gained by his recent trip abroad. The date of the event will be announced later.

—All workers in the Sunday School Survey are requested to meet at the Y. M. C. A. to-night at 7:30 when districts will be assigned to teams and supplies given out. All citizens of the city are asked to remain at home for a short time after the dinner hour next Sunday until the enumerators can call. This census is being taken for the purpose of increasing the efficiency of religious work in the community and everybody should help by giving in the necessary information.

—PRESBYTERIAN CHURCH.—The Church Attendance Campaign for the month of October is in full swing. Every member of the church and congregation is urged to make a special effort to be present at both services Sunday, and to bring some one with them. The attendance last Sunday night was the best yet during the month. Let's reach the goal this Sunday. The specially attractive feature of the Sunday night service will be a solo, Mr. Harbeson will sing the wonderful song, "Christ In Flounders." This will be a musical treat of rare quality. The subjects are 10:45 a. m. "Bolshevism in The Home," and at 7:30 p. m. "Is John Barleycorn Dead?" Sunday School at 9:30 a. m. Christian Endeavor 6:45 p. m. A cordial welcome is extended to all.

—The Synod of the Southern Presbyterian church in Kentucky will meet in Paris, in October, 1921. This city was selected as the next place of meeting at the sessions of the Synod, which closed in Paducah last week. The invitation to meet in Paris was extended by Rev. Theodore S. Smylie, pastor of the Paris Presbyterian church, who attended as a delegate. Rev. Thomas B. Talbot, formerly of Paris, was elected Moderator. Rev. Talbot was formerly a newspaper man, but learning the error of his ways, reformed, and entered the ministry. He is a brother of Mrs. W. A. Johnson. For several years he has been acting as Sunday School Evangelist for the Transylvania Presbytery, and has accomplished a great work.

FINED FOR CRAP SHOOTING

"Rolling the bones" and "come seven" will likely be discontinued in some parts of Paris as the result of a raid on crapshooters conducted by Sheriff McClintock and Patrolman Judy, Sunday. Six men were taken in custody by the officers. They were given a hearing Tuesday before County Judge George Batterton, in the County Court and given stiff fines with the costs attached. The men plead guilty to the charges preferred against them. George "Taters" Williams, colored, who it was alleged, conducted the game, was held to the grand jury at the November term of Bourbon Circuit Court, on a felony charge.

ESCAPED REFORMATORY MEN HUNTED IN PARIS.

Joseph McCoy and John Harvey, two young white men, who escaped from the Frankfort Reformatory on October 18, narrowly missed being captured in Paris, Wednesday morning by Sheriff Will G. McClintock and Chief of Police Link.

The officials have been constantly on the watch for the fugitives since learning of their escape, and on Wednesday morning located them in the South Paris yards of the Louisville & Nashville. The convicts boarded a freight train leaving Paris at 7:20 a. m., the officers missing them by the narrow margin of a few moments. Word was sent to the authorities at Cynthia, and the train was flagged there. When it came to a stop the fugitives were seen to leap from the rear end of the train and disappear in an adjacent cornfield. A posse of citizens, headed by Sheriff Million and Patrolmen Dickey and Wilson, surrounded the field and made a search, but the men contrived to elude them and were still at large at last accounts.

SIZING UP BOURBON'S POLITICS.

Mr. L. B. Armentrout, political writer for the Louisville Courier-Journal, was in Paris, Wednesday, getting a review of the political situation in Bourbon county. Mr. Armentrout has been all over the State, and finds conditions very favorable to the Democratic cause. Mr. Armentrout's special mission is to ascertain how the women of Bourbon county will vote in the coming election. "I surely have some job on hand," was his comment in THE NEWS office. "I have been married for twenty years," said Mr. Armentrout, and haven't found out yet what my wife's politics is. You never can tell what a woman will do, you know." Mr. Armentrout secured data while here for a review of the political situation, which will be one of a series of political write-ups to appear soon in the Courier-Journal's columns.

The members gathered around a big camp fire built in a convenient locality, and roasted weinermursts and marshmallows on long sticks. The menu was completed with the addition of pickles, beans, coffee and mustard dressing. About forty persons partook of the feast, which they pronounced of unexcelled quality. No cases of nightmare have been reported up to date.

DO YOU KNOW WHAT IS THE MATTER?

When You Feel Out of Sorts and See Things With a Dull Eye

LOOK TO YOUR BLOOD

Pale Complexions, Languid Feelings, Lowered Vitality, Need More Red Blood—Take Pepto-Mangan

So many people spend week after week feeling down and out. They never stop to think that something really is the matter. They satisfy themselves by saying, "Oh, I'm not sick. I'll be all right to-morrow." And to-morrow comes again, and again. Still they feel depressed and languid, scarcely able to get around. If you don't feel like yourself, you are not yourself. If you are weak and pale, your blood needs strengthening. You should know about Pepto-Mangan, that famous blood tonic. Physicians recommend it and prescribe it because it contains just the ingredients needed to make red blood. It renews your energy, puts you where you ought to be. Begin with it to-day. Get the tablets if they will be more convenient to take than the liquid. Both have the same medicinal properties. But be sure you get the genuine Pepto-Mangan. Ask for "Gude's" and be sure that the full name, "Gude's Pepto-Mangan," is on the package. (adv)

A Word of Help to Women of Middle Age From Mrs. Raney.

Morse, Okla.—"When I was 45 years old Lydia E. Pinkham's Vegetable Compound carried me through the critical period of the Change of Life in safety. I am over 60 and have raised a family of eight children and am in fine health. My daughter and daughters-in-law recommend your Vegetable Compound and still take it occasionally myself. You are at liberty to use my name if you wish."—Mrs. ALICE RANEY, Morse, Oklahoma.

Change of Life is one of the most critical periods of a woman's existence. This good old-fashioned root and herb remedy may be relied upon to overcome the distressing symptoms which accompany it and women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WHOLESALE PRECEDENTS

Judge Manson, on the Kentucky side, and Judge Bernard Fox, of Cincinnati's Municipal Court, have set salutary precedents in meting out jail sentences in especially flagrant cases of reckless driving. For instance, Judge Manson gave a sentence of thirty days to a "business man" who, in crossing the Suspension Bridge, knocked two automobiles out of his way and came to a halt only when a stone wall remained obdurate to his persuasion.

These jail sentences should act as a deterrent. The reckless driver must go. The public has a right to be protected against the fool with his hand on a steering wheel and his foot on an engine of enormous power. And the only way to accomplish this protection is to "park" the reckless driver in a cell. There he may statically muse on the fact that the race is not to the swift.

DECATUR MAN HAS GAINED 20 POUNDS

L. M. Owens Says Tanlac Has Completely Overcome His Long Standing Stomach Trouble.

"Since I started taking Tanlac I have gained twenty pounds in weight and no longer feel like the same man," said L. M. Owens, of 337 N. Broadway street, Decatur, Ill.

"For six years," continued Mr. Owens, "I suffered with a mighty bad stomach trouble. My food would always sour on my stomach. I would beat all up with gas, my tongue was coated all the time and I would wake up in the morning with a mean and sickening taste in my mouth and with burning pains in my stomach. I had distressing headaches, my nerves were shattered, and I often woke up in the night with burning pains in my stomach. I never knew what it was to get a good night's sleep and got up in the morning as tired as if I had just finished a hard day's work. I could not walk even a short distance without feeling completely exhausted and often when I got up from my chair would almost fall."

"At last I got a bottle of Tanlac and after the first few doses my appetite picked up and soon I was able to sit down to the table three times a day and eat a hearty meal. I kept on taking the medicine until now I am as well as I ever was in my life. I eat whatever I want and never have a touch of indigestion. I am never troubled now with gas or burning in my stomach and the disagreeable taste left my mouth. I never have a headache or feel nervous and I now sleep as soundly as I ever did."

Tanlac is sold in Paris at the People's Pharmacy. (adv)

BOURBON FARMING CONDITIONS.

Matters on the farms are "looking up," in view of the excellent fall weather of the past week. Wheat sowing has been in progress without interruption. There will be an increased acreage over that of the preceding year. Corn cutting is progressing rapidly and silos are being filled. The corn crop is a big one.

The tobacco crop is in fine shape for stripping, which only waits on a season of moisture. There will be plenty of tobacco on hand for the opening sales of the Paris market in December. There has been a let-up in livestock shipments due to descending prices, there being no demand for horses and mules from the Southern markets.

Country produce is plentiful, but steady in price. Many vegetables and fruits have passed off the market. Eggs are firm at fifty-five cents a dozen and butter at the same price.

SAVED HIS HORSE

Mr. R. L. McIntyre, of Altoona, Ala., says: "Dr. LeGear's Antiseptic Healing Powder quickly healed some bad wire cuts on my horse. I defy any stranger to find the slightest scar on him."

Dr. LeGear's Advice and Remedy saved this valuable animal. He warns you not to leave a wound sore or cut exposed, but to dust on Dr. LeGear's Antiseptic Healing Powder, which instantly forms an antiseptic protection and promotes healthy healing.

In his 28 years of Veterinary Practice and Expert Poultry Breeding, Dr. LeGear has compounded a remedy for every curable ailment of stock or poultry. Whenever they require a remedy, it will pay you, as it did Mr. McIntyre, to purchase from your dealer the proper Dr. LeGear Remedy, on a satisfaction or money back guarantee. (adv)

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

Send 10c to Dr. Pierce, Buffalo N.Y., for trial pkg. of the tablets. NASHVILLE, TENN.—"I have used Dr. Pierce's Favorite Prescription and found it to do what it is recommended to do. It did me more good than the doctors. I had several and none of them did me any good. Dr. Pierce's Favorite Prescription is the only thing for weak, broken-down women. I felt like a new woman after taking it. I weighed 155 lbs. and never felt better in my life."—MRS. AGNES TATUM, 175 L. Green St.

AN APPEAL FROM DESTITUTE CHILDREN

For years, since its organization in 1895, the Kentucky Children's Home Society has done a wonderful work in helping the State provide for its destitute children. It has taken those waifs, which have been turned over to it by County Judges, in all parts of the State, and found good homes for them, where they have either been legally adopted or reared under the careful supervision of the Society until they became of age. It gives refuge to homeless children which are somehow missed by church homes and lodge homes. It takes them at all ages—from infants to adult boys and girls.

The work has grown until the present home in Louisville, but poorly equipped at best, and composed of buildings which were one-time residences and never intended for an orphanage, is very inadequate. It is terribly crowded all the time and this deplorable condition makes it impossible to receive more children until a larger institution is provided. In the meantime, the homeless, neglected and mistreated children of the State must continue to suffer in their wretched environments or be placed in county poor houses where they will be little better off.

To remedy this evil, a campaign is in progress in every county in the State to raise funds to build a new home on an eighty-six acre farm about ten miles east of Louisville. The money is being obtained largely through the public schools, and the proposed village of cottages is to be a gift from Kentucky children with good homes to their destitute brothers and sisters.

Bourbon's quota is \$5,000, of which \$2,000 has been secured. Let us all give substantial aid to this most necessary charity and see that the county does not fall short of its apportionment this fall. The buildings are to be erected in early spring of 1921, therefore it is hoped all money will be turned in to the society before the first of the year.

Just History

In '76
The Colonial Dame
Spun her cloth
By Candle flame.

In 1860
In Crinoline bright,
She erected her guests
By Coal Oil light.

And later on,
How time does pass
Her home was lit
By flickering Gas.

But the girl of to-day
Who wants her home bright,
Just presses a button
And has Electric Light.

MILLERSBURG

Mr. and Mrs. O. E. Hurst were in Cincinnati on business Tuesday and Wednesday.

The Ladies' Aid Society of the Methodist church convened at the church Wednesday afternoon. Special work was done and the society was well represented.

Mr. and Mrs. T. D. Hunter and Mrs. C. B. Hunter, of Pittsburg, Penn., and Miss Patty Hunter, of Washington, Ky., will arrive to-day as guests until Monday of Mr. and Mrs. A. S. Best. Mr. and Mrs. T. P. Hunter were recently united in marriage, and are spending a portion of their honeymoon in Kentucky with relatives. Mrs. Hunter is a Texas girl.

THE SICK—Mr. S. M. Allen continues about the same. Mr. M. M. Rucker continues to grow weaker. Mr. C. L. Potts is improving nicely. Mr. Joseph Plummer is quite ill with acute indigestion. Mr. Evans is improving. Mr. J. T. Judy is once more able to be at his place of business. Mrs. Anna Darnell is not so well. Mrs. Clara Shanks and Fannie Norton continue about the same.

Mrs. C. H. Blackburn, an accomplished and cultured Georgetown woman, will speak to the Women of Millersburg, in the interest of the Democratic Presidential ticket, at the Millersburg College, on next Wednesday morning, at ten o'clock. Mrs. Blackburn is well-posted on the issues of the day, and her address will be one that should be heard by all the women of the city. Mrs.

Blackburn will speak at the Letton School House at 7:00 o'clock at night.

Mrs. W. W. Morton entertained a number of little folks yesterday at her home in this city, in honor of the sixth birthday of her son, Master Howell Morton. Refreshments were served, games indulged in and all present enjoyed themselves thoroughly.

The people are somewhat wrought up here over the two sets of candidates for the County School Board. There is much discussion in groups on the street about propaganda which are being circulated by the candidates of each Board. The voters of Millersburg would like to be enlightened by the exponents of these candidates, as to just what they stand for, what they propose to follow, and what pledges they are to make the people. This can be done either in a joint meeting or at separate times. Please let us hear from the two sets of candidates. And as we have heard so much about propaganda, let us determine after hearing issues whether there are any propagandas.

MATRIMONIAL.

Rumor has it that five weddings of Paris people are scheduled to take place in the very near future. Dan Cupid has not yet put us on the communication line in regard to place and time, but says he will advise us at the proper time. He has even hinted at names of one couple, both prominent socially in Paris.

INGELS—PETTICORD

Mrs. Blanche McElhane Ingels, 29, and Carl Petticord, 24, secured marriage license Tuesday in Cynthiana, and came to Paris, where they were married. The bride is a daughter of Frank McElhane, of Cynthiana. They will reside in Cynthiana, where the groom is engaged in business.

RION—CAHAL.

A courtship which began in this city several years ago and had been steadily fostered under the loving guidance of little Dan Cupid, culminated in a wedding in Louisville, Wednesday night. The principals in the happy event were Mr. Anderson Cahal, junior member of the firm of Cahal Bros., and Miss Ardella Rion, daughter of Mr. William Rion, of South Main street.

The young people secured marriage license here, and left for Louisville Wednesday morning, keeping their intention a secret save from a few intimate friends and relatives of both parties. They spent part of the day with friends and in visiting points of interest in and around Louisville. Later in the afternoon they went to the residence of Rev. J. B. Briney, pastor of one of the Christian churches, where they were united in marriage. The attendants were Miss Nellie Starke, and Mr. Will Tyson, both of Louisville. The bride looked charming

in a neat-fitting traveling gown of dark blue material with hat to match, and a corsage bouquet of roses and lillies of the valley.

Mr. Cahal has been a resident of Paris for several years, and has a large circle of friends here, who wish him and his fair bride all the happiness that can come to them in the matrimonial state. Mrs. Cahal has for several years been connected with the dry goods establishment of W. Ed. Tucker, in this city. She is a young woman of many graces of character, of pleasing personality and whose friends are many. Following a honeymoon trip to several Eastern cities, Mr. and Mrs. Cahal will return to Paris and go to housekeeping in the groom's home on Seventh street.

REAL ESTATE TRANSACTIONS

THROW \$25,000 DEFT AT MORROW, ET AL.

The sum of \$25,000 awaits Ed. Morrow, Teddy Roosevelt, Chas. F. Ogden, or any other of the falsifying Republican orators who can make good, their assertion that the League of Nations deprives the United States of any of its sovereignty. This sum has been offered such proof by the organization of pro-League Independents and Republicans, of which Prof. Irving Fisher is President. Will Hays and George White, the National Committeemen, will be permitted to select the jury of twelve, and if any or our glib Timbuctoo orators can convince them they are telling the truth, they will be given the \$25,000.
